A Note From The President By Dennis Murphy, Club President

It is Saturday evening, and I have just finished watching the Beavers take care of business in their first game against North Carolina in the College World series. Tomorrow morning Mary Ellen and I will head to Mitchell, Oregon to begin the club tour - "The Ochoco Challenge"! This is the beginning of a week long vacation for Mary Ellen and I, and we are looking forward to the adventure ahead of us.

The 15th Strawberry Century was an outstanding success. It was a success because, as in years past, our club members stepped forward to help in many, many ways. Special thanks most certainly go to Bill Pintard, this year's coordinator of the Strawberry Century. I watched Bill deal with numerous difficult situations relating to this event. Hats off to him for his patience, wisdom, thoughtfulness, boundless energy and ability to keep it together under several difficult circumstances. Bill's car broke down outside of Sweet Home during the

event. When I arrived, a tow truck had his car loaded, and there was Bill, on his cell phone, still giving direction to the various volunteers. Bill has gathered a lot of information and ideas from this year's event. He is anxious to offer his advice and assistance to the coordinator of the 16th Strawberry Century. He has asked for every club volunteer's feedback about what went well and what might be improvements the next Strawberry. All volunteers, please send him an email while the event is fresh in your mind.

I told Mary Ellen that I was at a loss to know what to write about this month so she showed me an article that she had written for the newsletter in 2001 when she was president. I am asking that it be reprinted in this newsletter.

I hope to see you at the next club meeting on July 5th. I have yet to arrange a speaker or a topic for the meeting, but perhaps some ideas will evolve during the tour. There are a

number of issues that we need to address and resolve. So perhaps we can attack these and get them resolved. I will summarize the ones that I am aware of. I need to appoint a committee to work on the board leadership for next year. We need to finalize our process for distributing the proceeds from the Strawberry and get some recommendations decided on. The committee has put together some excellent recommendations. I would like to review those and get the approval of the membership to proceed on that course. We also need to establish an awards committee for the meeting in October.

Let's have a great summer of riding!

Columbia Gorge Ride

With Louie & Becky Berry

September 8 (9), 2007

30 miles • 62 miles

Louie and Becky Berry want you to join them for a hearty ride that is sure to please. The 62 mile ride starts at 10 A.M. from Glen Otto Community Park at 1106 E. Historic Columbia River Hwy. in Troutdale, OR. This route is Terrain Category III and will follow the scenic highway through Corbett, Crown Point and Multnomah Falls. Bikers will rendezvous with the shorter ride at 17.7 miles at about 11:30 A.M.

The 30 mile ride starts from Multnomah Falls at 11:30 a.m. This route is Terrain Category II. The ride will be on bike path to Cascade Locks where there will be lunch at the Charburger.

Mary Ellen will be contacting club members by e-mail to find out your interest in this bike ride, or please call her if you want to go (738-8600). The driving time from Albany to Troutdale is about 2 hours. We want to know that there are club members who are willing to car pool and drive the distance for this ride. Please think about - would you like to stay overnight Saturday (camp or motel) in Troutdale and bike another route on Sunday?

WHO IS THIS?

That haunts the morning breeze,
Sun-chilled with rippling goosebumps,
Riding with the rhythm, rhythm,
Rhythm of the chain whir;
That pedals out afresh each day
With the dew on spokes
Glittering in the broken shadows briefly
Before being ripped astern
Like tears of life.

Who is this?
That tops the pass triumphantly,
With breathless pause
To view a valley far below
Encased by silent peaks
And split by silver sun-dance streaks,
A massive mini-universe
Of fragrant fir and solitude
That dares, "Descend, descend!
Descend on down around
Your playful concrete curves
That carve my slopes
And join me in our insignificance."

Who is this?
Astride these wheels
Spinning with a cadence of delight;
Matching the bend of feather grass
And playing with a shadow
That can't let go.

Who is this?
That shakes a hand

With friendship in the foe,
Meeting smile with smile
And all the while
Sharing eager anticipation
Of each other and their worth;

But rides behind alone, alone,
Contemplating
On each day to come,
Each day gone past,
With charges strung ahead gaping up
At misty ridges snow-sparkled,
Dropping back to share,
And breaking through
A far off memory.

'Tis I!
Atop these wheels singing,
Flag cracking in the breeze.
'Tis I, 'tis I!
Free once again
To try myself against this land
Of blazing sun
And morning freeze.

Submitted by Dennis Murphy and Mary Ellen Lind. This is dedicated to all bikers who feel the invigoration and beauty of early morning biking. It was printed in Adventure Cycling's Bike Bits, Vol. 2, No. 19, January 31, 2001. I asked the editor for permission to print it in our newsletter. He said he didn't have permission himself and he didn't how to get it. The author is David Knox, written as he bicycle toured the USA in 1980.

Strawberry Century News

I hope you all have dried out and gotten some sleep. It was quite a day. Despite the rain, we put on a great ride. According to May Garland, we had 648 registered and 615 riders. We previously thought we had 566 riders. It takes a lot of volunteers who are willing to give their time to make this event the success it was.

I've looked at the rider evaluations and most of them gave us very good reviews. Two things frequently mentioned were the road marks being washed out and WE HAVE TO DO SOMETHING ABOUT THE RAIN. There were a number of riders who missed turns and some were not happy about it. In the main we did very well. The riders who rode the 100 mile route really liked the new loop.

Please let me know of anything we need to change next year while it is still fresh in your mind. Be candid in your comments. Do we need more pointers? Was the food adequate and what riders wanted? Do we need more equipment? What about the road marks? I hope I can get the County Roadmaster to allow us to use color next year. We need your feedback.

Thanks to all of you for putting on a great event! We have the best event ride in Oregon, according to more than one rider. My hat is off to all of you.

JULY • AUGUST • SEPTEMBER RIDES 2007

KEY FOR ROUTE DESCRIPTION

Category I:	Flat to low rolling hills (quite easy pedaling).
Category II:	More frequent rolling hills, possibly several short, steep hills (a hearty workout).
Category III:	Moderate, longer hills, with a few steep climbs (need to be experienced and in good biking condition).
Category IV:	Frequent hills, some long and steep climbs (these are tough rides and will take endurance).

The Terrain Category will be identified on each route description in the newsletter and on each route sheet that is given at the start of the ride. Also on the route sheet areas that are known to be hazardous will be marked with the word "CAUTION".

The overall average group speed for our club is 12 - 14 mph. Some bikers choose to ride faster and sprint ahead of the group and some bikers ride slower. Each person may set his/her own pace. The ride leader usually selects places along the route where the bikers re-group, usually at a turn in the route.

Saturday, July 7, 2007 *9 a.m.*

RIDE TO A WEDDING!

Numerically, there isn't a more perfect day to make a commitment - 07/07/07. We are privileged to be invited to witness the matrimony of our own Laura Engel and her chosen, Gregory Warren. The ride starts under the Harrison Street Bridge. For about 2 hours we ride the outskirts of Corvallis and Philomath then to Avery Park Rose Gardens for the wedding. Laura has a special seating area for us and we are expected to attend in jerseys and bike shorts attire. Club members who don't ride are also welcomed to attend the wedding. Lunch will be

offered after the wedding in the adjacent Lyons Park. You may thoroughly indulge in good foods and happy songs for it's only a brief ride via bike path back to your car, and everyone may go when they choose to. Terrain category I. 20-25 miles.
Ride leader: Mary Ellen Lind, ph. 541-738-8600

Saturday, July 14, 2007 *9 a.m.*

LEBANON TO McDOWELL CREEK FALLS

Park and ride from Samaritan Lebanon Community Hospital. This is a delightful ride that travels over Berlin Road then McDowell Creek road to the falls. Bring your own lunch to eat at the park by the swift water on the downside of the falls. If interested, you may hike about ½ mile up a trail to see the majestic double falls. This ride gives a wonderful touch with nature all on minimally traveled roads. The route has some hills on the way out and flat when returning. Don't forget a lunch!
Terrain Category II. Approximately 35 miles.
Ride Leader: Dennis Murphy, ph. 541-738-8600

Saturday, July 21, 2007 *9 a.m.*

ALBANY TO CORVALLIS FOR daVINCI DAYS

Park and start ride from the South Albany Pool. We will have mostly flat roads going to Corvallis over Riverside Dr. The big feature at the daVinci Days is many artistically designed and cleverly engineered human-powered kinetic sculptures, located at Central Park or on a race. The sculptures compete in design, time and capability of moving through the streets of Corvallis, climbing a sand hill,

walking/riding through a mud bog, and paddling about a mile down the Willamette River. There is no admission fee unless you choose to stay for other daVinci events. The lunch location in Corvallis is group choice. Return over Independence highway, somewhat hillier terrain. Terrain Category I. Approximately 35 miles.
Ride Leader: Craig, Eucken, Ph. 503-394-2384

Saturday, July 28, 2007 *9 a.m.*

ALBANY TO WATERLOO, Stage Ride

This is the clubs traditional Anniversary Ride, our 16th year! The Santiam "Slow" Spokes' first group ride was July 25, 1991. The long ride starts at the flagpoles at the Linn County Fair/Expo in Albany. The route goes to the Samaritan Lebanon Community Hospital to meet riders who have selected the short ride. Together the group will ride to Waterloo, take a break, and return to Lebanon by way of River Road. We will have lunch at the Big Town Hero with dessert provided. Return to SLCH or Albany fairgrounds. Longer ride, approximately 50 miles.
Shorter ride, approximately 20 miles. Both rides are mostly flat.
Ride leader: Roger Gaither and May Garland, Ph. 503-394-3696

Santiam Spokes General Meeting June 7, 2007

The group gathered at 7:00PM at Samaritan Lebanon Community Hospital. Club President Dennis Murphy welcomed everyone. The minutes for the May meeting were approved as printed in the Outspoken newsletter.

Wanda Knight, treasurer, reported \$18,233 in the checking account and \$2,250 in the PayPal account. Century revenue for the month was \$9,660 and expenses were \$2,800.

Ron Kropf, membership chairperson, reported that renewal of membership is over and we have 127 members.

Kari Kropf, newsletter producer, asked that everyone send her photos and articles.

Mary Ellen Lind, ride leader captain, reported that the Saturday after the Strawberry Century will be a celebration ride starting at the home of Lynn and Seth Reese in Salem. Everyone is invited to join the group for a cookout after the ride. Mary Ellen asked the group to consider a ride on Sept 8 that Becky & Louie would lead along the Columbia Gorge. This is quite a distance from Lebanon and will require more time, money, and effort. Does the group wish to do this? Please let Mary Ellen know if you have an opinion. Other rides in the future include the Providence Bridge Pedal on August 12

and the Mid-Willamette Club Covered Bridge Ride on August 11.

2007 Awards: Dennis asked that people let him know if they will serve on an Awards Committee to put together the member awards (mostly humorous) that will be given again this year.

Donations: The Donation/Fund

Distribution Committee (Bill Pintard, Dian Gersner, Dennis, and Roger) will meet one more time to complete a form that can be used to gather information from potential recipients of donations from the Spokes.

Decathlon Event: Roger reported that the Club will participate with the Samaritan physician who is doing a decathlon on Friday, July 13. We will be leaving from Sweet Home about 3:00 and bicycling to the Lebanon airport.

Summer Tour Update: Roger reported that 15 people are scheduled to go on the Ocheco Challenge Tour which starts on June 24 in Mitchell.

Strawberry Century Update: May Garland reported that over 375 people have preregistered for the ride, many of them doing so via the website and Paypal. Bill showed the group a Safety Precautions sheet will be given to each rider at registration.

Meeting adjourned at 8:45 PM.
